

1. WE WERE EXCITED TO SEE THAT YOU WERE PLAYING THE 2013 ACL MUSIC FESTIVAL THIS YEAR. ARE YOU PLANNING ANY SURPRISES OR PLAYING ANY NEW SONGS FOR THIS YEAR'S FESTIVAL?

Weeeeee! We're so excited!! Yeah we got a lil somethin cookin' for the fest.  ← that's a pot over fire. We have a possible surprise song and definitely a bunch of new songs. Also we have no idea what we're gonna wear!! eek!

2. WE'VE BEEN HEARING YOU HAVE A NEW ALBUM IN THE WORKS, WHAT CAN YOU TELL US ABOUT IT? IS THERE A THEME TO IT SIMILAR TO YOUR LAST ALBUM LEELANAU?

I can tell you that we are **SO** excited about what's been happening in the studio! oh man, can't wait until it is done! it doesn't have a theme necessarily, except that most of the songs are about me chasing my grandma's ghost in the woods to ask her dating advice.

3. WE HAVE HEARD YOU HAVE A **SERIOUS LOVE FOR CHEESE**. NAME YOUR 3 FAVORITE KINDS OF CHEESE AND TELL US SOMETHING ABOUT THEM.

oh geez! cheese!! ok:

Lincoln Log from Zingerman's in Ann Arbor. like bûcheron. sooo good.

camembert!  squishy and kinda stinky + made from raw milk

the hugest bowl of mac + cheese!  seriously, any kind, crappy box kind, fancy kind, anything.

4. WHAT'S THE CREEPIEST MOMENT YOU EVER HAD ON TOUR?

We accidentally ended up staying with a cult in Joshua tree! their leader's name was Garth and he was super mean and dirty and lived in a concrete teepee decorated with tinsel. there was a guy named Manifest who named his purse Felix and begged us to stay for the full moon festival. the women were made to sleep in a bus far away from the main camp. they begged us for cigarettes wifes!!!

5. FOR PEOPLE COMING TO AUSTIN
